## Help Kentucky State Police solve this case!

## Unidentified young man murdered in EastPark

In July 2020, two hunters preparing for the fall season on their land in Ashland, KY made a grisly discovery when they stumbled upon a murdered young man, mostly skeletonized. If you have information that could aid this investigation, please contact Detective David Boarman at the Kentucky State Police Post 14 at +1 (606) 928-6421. A DNASolves crowdfund has been established to cover the costs of DNA testing for this case.
